Ms. Carter Norton, Founder President
The Magical Music for Life Foundation
545 West Road
New Canaan, CT 06840

Dear Ms. Norton,

We the staff of the Madison Square Boys & Girls Club, Columbus Clubhouse, would like to express our thanks and appreciation to you for inviting us to see the musical play "The Adventures of Zack".

We thank you for giving our members a chance to experience live theater art on another level. The young members should have been able to relate to the storyline because they themselves may have or will be going through such problems at one time or another. Each character had life-like problems and dealt with them in a positive way and that is a great message for the young ones. Zak and his alien helpers were very encouraging. His advice was great and touched close to home for many.

Once again we thank you for inviting us to such a beautiful and uplifting performance. We also thank the performers for doing such a great job.

Enclosed are the members' individual thoughts about the performance.

Sincerely,

Doris Green
